One-off Grant for Promotion of Self-directed Language Learning (English Language)
2024/2025 Evaluation Report

Area	Objective	Period / Date	Task description & Evaluation	Budget spent
To purchase services	To purchase services in organizing activities for English Week to enhance language atmosphere	9 May 2025	Service was purchased for the ‘Game on: Fun Fest’ program of the English Week. Eight game booths were designed on the theme of ‘Food’ covering ‘healthy eating’, ‘Stories about Food’, ‘Food-related jobs’ and ‘Food around the world’. Each was hosted by a NET. Junior levels joined the games during lesson time and the senior students visited these booths at lunchtime or after school. According to the evaluation survey results, most students enjoyed talking to the NETs, which has motivated them to use English. They also found the games interesting. In ‘Yummy India’, one of the most popular games on the day, required students to describe Indian dishes about the ingredients and taste. This program has given students a chance to use the vocabulary and language learnt in class.	\$10,000
To purchase resources	To purchase / subscribe to online learning platforms to facilitate students’ self-learning for improvement of speaking skills	June 2025	A purchase was made in June for a one-year subscription to AI-powered speaking services for S5 students. This aims to encourage students to enhance their speaking skills during the summer break and throughout the upcoming school year.	\$10,000
Total :				\$20,000
